DALLA VALLE Vineyards

2018 DALLA VALLE CABERNET SAUVIGNON OAKVILLE

As a growing season, 2018 was sensational. From the first cherries in the early spring, to the last apples and pears of the late summer, every fruit and vegetable was intense in flavor, and generous in yield. This always bodes well for the wines from the season. The grapes from our estate vineyard in Oakville developed beautifully all season long, with a slow, steady build in color and aromatics, and a uniform maturing of tannins in the end. The result is a lineup of wines that is distinctive, dense, and highly polished. The rounded edges make the wines accessible in their youth, but the real payoff will come with bottle age, given the massive structure and concentration.

Our annual offering of Dalla Valle Cabernet Sauvignon is a blend of some of the best blocks that grow on our estate property. The 2018 vintage, a blend of 76% Cabernet Sauvignon, 22% Cabernet Franc, and 2% Petit Verdot, was aged for 22 months in two-thirds new French oak barrels, giving the wine a round, burnished texture and elevated fruit intensity. Fresh berries, soil and dried hay give way to cinnamon, nutmeg, smoked meat and cassis. It is layered and lively, with a strong sense of place. Our vineyards, which sits 500 feet above the valley floor, consistently delivers wines of remarkable intensity, and in a special vintage like 2018, the experience is elevated. This wine will surely age gracefully for many years to come.
