2019 MAYA

60% CABERNET SAUVIGNON, 40% CABERNET FRANC

While the 2018 vintage may have been a tough act to follow, the 2019s stand out as another classic, idyllic Napa Valley vintage to remember. A milestone into our history at Dalla Valle was made in 2019 as we dove into the world of Biodynamic farming. Our deep love and connection to this land inspired us to begin this journey, and we have not looked back since. The elements of energy and vibrancy show in the 2019 vintage. A cool winter and mild rainy spring replenished our vines and provided them with the energy to sustain the heat of summer and perfectly ripen in the fall.

Ever the philosophical wine, with every sip the 2019 Maya reveals new layers of complexity and depth, invoking thoughts of a mysterious and intriguing destination. The firmness of the Maya's Cabernet is boosted and lifted by the black olive and dried herbal tones of the Cabernet Franc. Boysenberry, crushed gravel, and violet come to the forefront before revealing deeper layers of black and blue fruits, lingering through an extended finish but at the same maintains an ethereal status that dances on the palate.
