2020 MAYA

60% CABERNET SAUVIGNON, 40% CABERNET FRANC

2020 was a remarkable year to make wine. Our team showed tenacity and strength with every obstacle that was presented throughout the year, and the dedication to the craft shows in the 2020 wines. The growing season commenced with dry conditions and a relatively warm spring awakening an early budbreak and rapid growth. Summer slowed with classic cool Napa evenings and warm days. August accelerated ripening leading to an early harvest of beautiful fruit.

The 2020 Maya exudes confidence and elegance from the first sip. It is a classic Maya blend of 60% Cabernet Sauvignon and 40% Cabernet Franc, the core coming from “Maya’s Vineyard” Cabernet Sauvignon always blended with carefully chosen Cabernet Franc lots to harmonize and bring lift to the energetic qualities of the Cabernet Sauvignon. An exquisite symphony of frankincense, clove, and cedar jump from the glass in the beginning, then subtle fruit notes of rainier cherries and lingonberries meld together both on the nose and continue on the palate. The classic silky yet firm tannins leave a prolonged weight leading to a long finish.
