2021 DALLA VALLE CABERNET SAUVIGNON

89% CABERNET SAUVIGNON, 11% CABERNET FRANC,

2021 presented itself as a classic drought vintage. A low accumulation of rain in the winter coupled with a warm and dry summer provided smaller yields and greater concentration in the fruit leading up to an early harvest. With such depth and concentration, we chose to guide the fermentations gently and with care to preserve the delicacy and aromatics of the terroir. After 24 months of aging, the 2021 vintage wines capture the intensity, purity and resilience of our vines.

The 2021 Cabernet Sauvignon encapsulates the power and concentration of the site. Notes of dark chocolate, black cherries, pencil shavings and graphite intertwine with hints of toasted cardamom and fennel pollen. A cacophony of dark fruit come together on the palate with its seamless and elegant fine grained tannins. Ferric notes from our signature red rocky soils come through with an intermingling acidity gives length on the finish, giving the drinker a full sensorial experience from start to finish.
