2023 DALLA VALLE CABERNET SAUVIGNON

82% CABERNET SAUVIGNON, 16% CABERNET FRANC,

2% PETITE VERDOT

HARVEST DATE: SEPTEMBER 27TH– OCTOBER 12TH

OAK AGING: 23 MONTHS, 70% NEW FRENCH OAK, AMPHORA

The 2023 vintage marks a new chapter at Dalla Valle, inaugurated with the first harvest crafted in our newly remodeled winery. A quintessential Napa Valley season unfolded—abundant winter rains replenished the soils, followed by a mild, measured spring and a long, temperate summer. The season concluded in ideal autumn conditions, allowing for a deliberate, unhurried harvest from late September through early October. The resulting wines capture the essence of balance, elegance, and endurance—a vintage built to stand the test of time.

Deep purple and richly saturated in color, the 2023 Estate Cabernet Sauvignon opens with layered aromatics of ripe cherry and plum, interwoven with wild brush, licorice, and a distinctive graphite edge. On the palate, an iron-like mineral brightness emerges, lending precision and lift to the wine's core. Savory, fine-grained tannins frame a seamless, polished texture, carrying the fruit with quiet power rather than overt force. The blend—82% Cabernet Sauvignon, 16% Cabernet Franc, and 2% Petit Verdot—brings both structure and nuance, enhancing aromatic complexity and depth. Aged for 23 months in 70% new oak and amphora, the wine integrates subtle spice and texture without overshadowing its mineral core. The balance between intensity and restraint speaks clearly to site and season, revealing a wine of poise, longevity, and quiet authority—built to last and destined to evolve with grace over time.
